

# DrBrown's™

## Natural Baby Toothpaste

### Ingredients

Glycerin, Aqua (water), Xylitol, Propanediol, Sorbitol, Pectin, Xanthan Gum, Silica, Sorbic Acid, Aroma (Flavor), Calcium Lactate

Does not contain gluten, dairy, egg, lactose, soy tree nuts or peanuts but is processed in a facility that uses egg white extract and tree nut oil.

### Directions

Squeeze a pea-sized amount of toothpaste onto an extra-soft bristled brush. Use a small circular motion on teeth and gums. For best results, be sure to brush your baby's teeth at least twice a day, morning and right before bed.

### Caution

Toothpaste tube and cap contains small parts and is not suitable for children under 3 years. Do not leave child unattended with toothbrush or toothpaste. Use under adult supervision. To prevent possible choking hazard, inspect toothbrush before first and every use. Replace if bristles become loose, has cracks or shows other signs of excessive wear.
