Silicone Bib

Cleaning

Wash before first use and after each use with warm, soapy water. Rinse thoroughly. Dishwasher safe, top rack only.

For your child's safety and health

WARNING!

Always use this product with adult supervision. Before each use inspect the product. Throw away at the first sign of damage or weakness. Do not leave child unattended while feeding. Do not place in microwave. Do not store in sunlight or near source of heat as this could damage the product. Remove all packaging before giving it to a child. Always check food temperature before feeding.

On young babies, keep the bibs off the child's skin as the texture of the silicone can cause mild irritation. Be sure to keep your child's hair and clothing free from the bib while fastening the collar.
